

— INTRODUCING BATOI FLEX

Run Your Business in One Governed Workspace.

CRM, projects, invoicing, files, messages, payments, and compliance-ready workflows – built for growing businesses.

Manage daily operations from one secure workspace instead of stitching together disconnected tools.

WHAT BATOI FLEX DOES

6 CORE CAPABILITIES

<p>01</p> <p>Manage Customers & Leads</p> <p>Track contacts, opportunities, follow-ups, and customer conversations.</p>	<p>02</p> <p>Organize Work & Projects</p> <p>Assign tasks, manage teams, share files, and monitor progress in one place.</p>	<p>03</p> <p>Invoices & Business Records</p> <p>Keep transactions, documents, and approvals organized end-to-end.</p>
<p>04</p> <p>Communicate Securely</p> <p>Governed messages, files, and workspace collaboration for teams and clients.</p>	<p>05</p> <p>Built for Compliance</p> <p>Role-based access, activity history, audit trails, and privacy-aware workflows.</p>	<p>06</p> <p>Built to Grow With You</p> <p>Simple for small teams, structured enough for multi-location organizations.</p>

A modern business workspace for CRM, projects, invoices, collaboration, and compliance readiness – all in one secure place.
