Empower Your Community with Cutting-Edge Portal Technology - Integrated with the Batoi RAD Platform

BATOI®

# A Dynamic Community Portal Solution - Features

## Empowering Vibrant and Interactive Online Communities

### Comprehensive CMS and Job Board
Effortlessly manage your community website and connect talent with opportunities using our user-friendly CMS. Our job board includes a dedicated panel for Employers, making it a seamless hub for employment opportunities.

### Daily Job Feed & Advanced Search
Stay updated with daily job feeds from the National Labor Exchange (NLX) and easily facilitate job searches with sophisticated location and industry-wise filters.

### Analytics and Access Monitoring
Integrate Google Analytics for comprehensive user engagement insights. The access log provides essential data for monitoring and optimizing user interactions. Analytics for the number of job click-throughs, providing valuable insights for Employers.

### Community Engagement Tools
Engage and inform your audience with our versatile event publications, blogs, and a subscription-based newsletter or mailing list, enhancing community interaction. Events Module is perfect for job fairs and educational providers, offering event submission and promotion.

### Customization and Bespoke Experiences
Use the Batoi RAD Platform for unparalleled customization of your community experience. Tailor everything from layout to functionality, ensuring a unique and engaging environment.

### Multi-Level Portal Management and Documentation
Customize portal access with multi-level roles for administrators. Extensive and user-friendly documentation is available to guide every step.

### Robust Security and Compliance
Benefit from our enterprise-grade security and privacy measures, which ensure a safe and accessible platform for all users. We are fully ADA-compliant. New security enhancements include Multi-Factor Authentication (MFA) and Single Sign-On (SSO) capabilities.

### Enhanced Sponsor Visibility
Showcase sponsors and featured Employers prominently, boosting their visibility and engagement within your community. Employers can also use dedicated profile pages in the Employers Directory to enhance their presence.

### Integration with Batoi Mailer App and Zoho CRM
Seamlessly integrate with Batoi Mailer App and Zoho CRM for effective communication and management of customer relationships.
