

Press Release: Batoi Secures Trademark Registration in the USA

Delaware, USA – July 01, 2024—Batoi, a leading software development automation company, is proud to announce that it has received trademark registration with the United States Patent and Trademark Office (USPTO). This trademark registration protects the "BATOI" logo, marking a significant milestone in Batoi's ongoing efforts to safeguard its intellectual property and strengthen its brand identity.

The official certification, registered on June 18, 2024, empowers Batoi to distinguish its products, solutions, and services in the marketplace, fostering greater customer trust and confidence. This achievement underscores Batoi's dedication to innovation and solidifies its position as a trusted software development automation industry leader.

"Registering the Batoi trademark with the USPTO will help to further strengthen the branding of our products, software solutions, and services in the markets we serve," said Mr. Ashwini Rath, CEO of Batoi.

Batoi's trademark guidelines are available at <https://www.batoi.com/about/ip-policy>.
