

FOR IMMEDIATE RELEASE

Kevin J. Kurdziel Joins Batoi as Senior Advisor for Workforce Development Solutions

Newark, Delaware, USA – October 25, 2024 – Batoi, a leading provider of cloud-based solutions for enterprise and workforce development, is proud to announce the appointment of Kevin J. Kurdziel as Senior Advisor for Workforce Development Solutions to the CEO.

Kevin brings nearly 35 years of expertise in workforce development, having served in various leadership roles. His most recent position was as Workforce Development Board Director in Middlesex County, New Jersey, where he spearheaded initiatives that integrated technology into workforce development strategies. Kevin has also held senior roles at Essex County College and nonprofit organizations such as Goodwill Industries of Greater New York and Northern New Jersey.

With a Master of Science in Management from Thomas Edison State University, Kevin's extensive experience will enhance Batoi's efforts in workforce development, aligning with the company's broader mission to drive innovation across sectors.

"We are excited to welcome Kevin as part of our leadership team," said Ashwini Kumar Rath, CEO of Batoi. "His extensive experience and forward-thinking approach will play a key role in strengthening our workforce development solutions."

About Batoi

Batoi is a software development automation company. The Batoi RAD Platform revolutionizes software engineering by automating development, deployment, telemetry, and workflow management processes. Our comprehensive managed services, enhanced by AI, cover application development, DevSecOps, VAPT, cloud cost optimization, scaling, migration, and security compliance. We empower businesses with robust digital transformation solutions, web portal development, and e-commerce implementation, ensuring seamless integration and enhanced performance.
