# Batoi AR/VR Solutions

**Transform Experiences with Augmented and Virtual Reality**

batoi.com/solutions/technologies/ar-vr

# Bringing New Dimensions to Business Experiences

Harness the Power of AR/VR to Create Immersive Experiences

**Training programs using VR show a 50% higher retention rate** compared to traditional methods.

**88% of businesses** that use AR/VR see a significant improvement in customer engagement.

# Key Challenges Addressed by AR/VR

Creating Immersive Experiences and Enhancing Engagement

**Customer Engagement**

Enhancing user engagement through interactive and immersive experiences.

**Training & Skill Development**

Providing effective training using VR to simulate real-life scenarios and enhance retention.

**Product Visualization**

Bringing products to life using AR to allow customers to explore features in a new way.
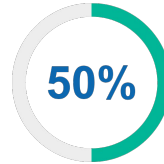

**Reducing Costs**

Minimizing the cost of training, prototyping, and customer support by leveraging virtual simulations.

# Delivering Results with AR/VR

Measurable Impact of AR/VR on Business Operations

**40%**

**50%**

**30%**

**40% Increase in Customer Engagement:** Immersive AR/VR experiences boost user satisfaction.

**50% Improvement in Training Retention:** VR-based training leads to more effective learning outcomes.

**30% Reduction in Training Costs:** Virtual simulations reduce the need for on-site training.

BATOI®

# Our Capabilities

Innovative AR/VR Tools to Transform Experiences

## Immersive Customer Experiences

Create interactive, immersive experiences to boost user engagement and satisfaction.

## Training Simulations

Use VR to provide realistic training simulations, increasing retention and reducing costs.

## Product Demonstrations

Use AR to showcase products, allowing customers to explore and interact with features.

## Remote Assistance

Use AR to provide guided support remotely, helping customers troubleshoot issues in real time.

BATOI®

# Batoi Products for AR/VR Integration

Tools to Support AR/VR Integration

**Batoi RAD**
Develop custom AR/VR applications to deliver immersive customer experiences, training solutions, and interactive product demos.

**Batoi Bridge**
Facilitate collaboration across teams by using AR/VR to visualize data and brainstorm interactively.

**Batoi Insight**
Use AR/VR data analytics to gather insights into user interactions and optimize experiences.

**BATOI®**

# How Batoi Stands Out

Why Choose Batoi for AR/VR Integration?

**1**

Comprehensive tools for creating immersive and interactive experiences

**2**

Advanced AR/VR capabilities for training, product visualization, and remote assistance

**3**

Seamless integration of AR/VR into multiple business functions

**BATOI®**

# Success Story and Resources
